1. It's a natural

The wide base of the ripple on Tommee Tippee's Closer to Nature imitates mom's breast. (\$24 for three; BabieBuffs.com)

2. No more fuss

Born Free has declared March Colic Awareness Month, and its bottles may reduce symptoms. (\$27 for three glass bottles and one sleeve; SummerInfant.com)

3. Lean in

Chicco's new NaturaFit has a tipped nipple so your newborn doesn't have to strain to drink. (\$9 each; BuyBuyBaby.com)

4. Try a hybrid

Pour milk into 5 Phases' glass insert, then slide it into the protective plastic shell. (\$16 each; 5Phases.com)

5. Simple solution

Evenflo's bright new Classic Twist is a total bargain. (\$3 for three; Kmart.com)

6. Plum perfect

The Dr. Brown's bottle was invented by a doctor who designed its anti-colic valve. (\$19 for three; BabieBuffs.com)
